

Chubb Agribusiness Online Training Center

Loss Control

CHUBB

The Chubb Agribusiness Online Training Center offers our commercial agribusiness policyholders at no cost, an array of safety training resources.

We understand how important access to current information and training is to help our insureds manage risk and prevent loss. This valuable resource can assist in developing solutions to control hazards, train employees and meet the responsibilities imposed by federal and state regulations.

The Online Training Center contains training modules and testing for many of the common duties performed by agribusiness employees. The modules provide quality instruction and furnish employers with immediate feedback and track progress on employee understanding of the essential safety tools needed to accomplish their duties.

To access the Training Center [click here](http://chubb.lezage.com/servreg01.cfm?dp=70) to sign up and log in or go to:
